

MEMORANDUM OF UNDERSTANDING **FOR THE IDAHO ONE STOP SYSTEM**

INTRODUCTION

This Memorandum of Understanding (MOU) is entered into in the spirit of cooperation and collaboration by the Workforce Development Council, hereafter referred to as "the WDC" and the One Stop delivery system signatory partners, hereafter referred to as "the One Stop partners" or "partners" to describe how their various funding streams and resources will be utilized to better serve their mutual customers, both job seekers and employers, through an integrated system of service delivery operated at comprehensive sites known as *IdahoWorks* Career Centers and satellite sites, called *IdahoWorks* Career Connection sites. It is understood that the development and implementation of these Centers will require mutual trust and teamwork among the One Stop partnering agencies and the WDC, working together to accomplish the shared goals.

PURPOSE

The purpose of this MOU is to establish the framework for operation of the One Stop system in a manner that maximizes services to system customers while making efficient use of public resources.

STRATEGIC VISION FOR THE ONE STOP DELIVERY SYSTEM

The partners to this Agreement agree to support the goals of the Workforce Investment Act of 1998, hereafter referred to as WIA, including:

- Streamlining customer services in the One Stop delivery system
- Empowering individuals through access to information on programs, services, and outcomes available through the One Stop system
- Universal access to core services for all individuals entering the workforce investment system
- Accountability for performance and customer satisfaction

The partners agree to share accountability for achievement of the Workforce Development Council goals in attachment #1 and commit to the Vision, Guiding Principles and Goals for the One Stop system in attachment #2 to this Agreement.

PARTIES AND PROGRAM SERVICES

The partners, programs and services offered as part of the One Stop system are included as attachments to this MOU.

JOINT RESPONSIBILITIES

Leadership

The WDC will set the vision and goals for the workforce investment system and will assist partners in continuously improving the system. The One Stop partners will be responsible for coordinating delivery of services in the One Stop system. Partners will share joint responsibility for providing leadership in the design and delivery of shared processes or services offered by the partners.

System Integration

The partners will promote system integration to the maximum extent feasible through the cross training of staff, use of common and/or linked information systems and participation in a continuous improvement process designed to improve processes and increase outcomes and customer satisfaction.

Cost Sharing

Partners agree to enter into a cost sharing agreement on an annual basis to support the cost of shared services and jointly occupied facilities. Such agreement shall meet the principle of proportionate responsibility for support of services. Cost allocation among partners shall meet the WIA and its regulations, OMB circulars A-21, A-87 and A-102 state rules and policy guidelines and any local policies regarding cost sharing.

Confidentiality

Customer information, on employers and job seekers, will be shared in accordance with separate information release agreements. Partners agree that confidentiality of customer information will be maintained at all times.

Hold Harmless

Each partner to this Agreement will assume liability for its actions and the actions of its agents under this agreement. Each partner shall hold harmless, defend and indemnify all other partners to this agreement from any and all claims for damages, including costs and attorney fees resulting in whole or in part from the partner or its agent's activities under the Agreement.

Operational Management

Staff Management

Each partner shall be responsible for providing the direct supervision and control of its staff in such matters as selection and hiring decisions, personnel planning and evaluation, salary and benefits and other matters directly pertaining to an employer-employee relationship. Each partner will facilitate cross training opportunities and cooperative staffing arrangements within each One Stop Center and Affiliate center.

The partners agree that the terms of this Agreement will take effect as of July 1, 2006 and will continue until such time as any partner or partners, shall modify, extend or terminate this agreement as provided below.

Disputes

The Partners acknowledge that disputes may arise from time to time and agree to attempt to resolve such disputes in the most expeditious manner possible. The lead representative for each partner involved in a dispute will attempt to reach resolution before turning the matter to the WDC. The WDC will agree upon a resolution and offer a recommendation for action to the parties involved. If such action fails, the parties agree to use the dispute resolution process which may include notice to appropriate Federal agencies to aid in resolution.

Incorporation of Additional Partners to Agreement

The WDC or partners may agree to invite other organizations to participate. If such an invitation is issued and accepted, the organization will be considered a partner from the date of its acceptance letter and the review and approval by the WDC. Partners will review the Cost Sharing Agreements to incorporate any necessary changes to payments for shared costs as a result of the new partner participation.

Withdrawal from or Termination of the Agreement

Any partner to this Agreement may withdraw its participation in the Agreement, in whole or in part, upon giving written notice of at least 30 days, provided that a written explanation of the scope of withdrawal and the reasons for that withdrawal are included in the written notice. In such cases, the Cost Sharing Agreement will be examined by all remaining partners to assure the continuation of the concept of proportionate cost sharing. This Agreement may be terminated at any time by mutual written consent of all partners. It is understood that the partners will seek to resolve all conflicts in order to avoid termination. The designated representative of each partner will be responsible to coordinate all matters associated with this Agreement for their party, including all written notices.

4. Services to be Offered in the One Stop System

The One Stop partner agrees to the following provisions adopted by the WDC:

- Required One Stop partners will make applicable core services available and provide access to other services in at least one physical One Stop Center within each workforce region;
- Partners may utilize any authorized methodology to deliver core services provided the methodology
 - is consistent with the partner's authorizing legislation and the WIA;
 - does not require the customer to travel to another location to obtain the core service; and
 - meets minimum standards of accessibility set forth in Section 188(a)(1) of the WIA.

The Idaho Adult Basic Education Program will deliver ABE Core services to at least one physical One Stop Center within each workforce region. We will also deliver services at multiple other locations in accordance with reasonable, regional DOCL and One-Stop partner needs. These core services include outreach, intake and orientation; initial assessment; and program performance information. The eligibility requirements for Adult Basic Education (including English as Second Language participants) and GED preparation include the following:

- **A participant must be 16 years of age or older**
- **Not enrolled in secondary school or taking any classes in secondary school**
- **Needs are below the level of high school completion -- as evidenced by a TABE Assessment-**
- **Is eligible to participate in any Adult & Family Literacy educational activity. This includes students who may already have attained a high school diploma or GED/HS Equivalency Certificate and who have skills below the twelfth grade level.**

- Adult education instruction includes reading, writing, and or math at adult basic education level/s below high school completion and speaking, listening, reading and/or writing in English as a Second Language below level/s of high school completion
- The determining factor for participation in the ABE program is not whether a person has a GED certificate or high school diploma but rather “Having educational needs below the level considered equivalent to high school completion.”

Adult Education Programs will either provide a physical presence within at least one One-Stop in each region, or have ABE personnel readily available to travel to the DOCL to meet a client at the One-Stop location when the One-Stop partner calls the Center for customer service. ABE Centers will also make available to the local One-Stop web-link information, Orientation and GED information, and other program information.

ABE will share the state training calendar with One-Stop partners and invite them to attend any on-line and face-to-face regional/State training opportunities provided through Adult Education and Family Literacy Act (AEFLA) Leadership funding. The training schedule is also easily accessed on the ABE website at www.sde.state.id.us/certification/AdultEd.asp

Location and Strategy for Providing Services

Adult Basic Education is provided through 6 regional program sites located in the state post-secondary institutions. The six regional centers provide instructional services in a number of communities within their regions. ABE staff can meet with customers at the One-Stop offices on an on-call basis, or customers can access ABE services and information electronically or get information through print and other media. In some regions a part time ABE person is available to assist in the One-Stop Center.

- *Identify the primary location of service delivery if not in the One Stop Center and note if these locations are intended to be affiliate centers. The WDC has encouraged all partners to offer access to services through the one stop system by assuring an awareness of system services at any point of entry. The WDC has also requested that partners identify their desire to serve as an "affiliate" One Stop Center. To qualify as an affiliate, partners agree to*
 - 1. provide access to the IdahoWorks automated system;*
 - 2. offer assisted services to those who prefer such services over automated services; and*
 - 3. make accurate and up-to-date information available for access on-line? IdahoWorks?*

5. Cost Sharing

All required one stop partners are required to use a portion of their funds to create, maintain and participate in the One Stop delivery system and to provide their core services.

- **Part time or Visiting Partner**
- **ABE will be a part time or visiting partner at the One-Stops and can deliver our ABE core services at these locations either in a part time physical presence or an on-call or itinerant basis.**
- **Full Time Co-location**

The Workforce Development Council required that those partners co-locating full time in a center enter into a separate cost sharing agreement that ensures the partner pays a fair share of the costs of operating the center. A copy of such agreement should be attached to this agreement.

- **Part Time or Visiting Partners**

The visiting partner agrees to assume responsibility for a fair share of the common costs of the Center based on a pro-rata share of participants of each partner who use the center. The partner agrees to provide a list of participants enrolled in their program at least once each fiscal period, at a time and in a manner to be agreed upon by partners to this MOU for the purpose of establishing the fair share of common costs. If costs are determined to be immaterial based on the participation of partner participants, no costs will be assigned to the partner. If costs are determined to be material, a separate agreement will be negotiated and affixed as an addendum to this agreement.

6. Referral Arrangements

Where we are not co-located, referrals may be made by a description of services, accompanied by a brochure, flyer, or business card made available to the one-stop partners. ABE and GED information is also available on the SDE/ABE website. Contact information and ABE Center schedules are provided to all One-stop partners. Depending on the individual needs of the client, sometimes a phone call is made by the ABE Center directly to the provider. Appointments are scheduled between clients and partners. ABE accept referrals either by direct contact from the other provider or by a contact from the client who has been directed to the Center. Referrals may come from walk-ins, phone calls, emails, letters, tours, or resource

fairs. ABE also provides presentations to staff and/or clients wherever needed. ABE also refers clients to the One-Stop during the Orientation/Intake process when client needs and barriers are discussed and referrals are made to supportive services. In some regions, ABE personnel may walk the client over to the One-Stop or meet them there for the purpose of easy transition.

- Describe your process for referral to the One Stop system partners
- Describe your process for referral from the One Stop system partners

7. Other comments or conditions not listed in the agreement

Adult Education providers will abide by the guidelines in FERPA regarding confidentiality policy.
